

Measurement Committee

Amendment No.17

to

AC72 Class Rule Version 1.1: 22nd February, 2011

Appendix E (Media Appendix)

Add:

- 1.3 Competitors whilst racing with the supplied ACTV on-board camera package are not permitted to have additional visual media recording devices on board.
-

Remove:

- 7.1 (h) one warning light stack, consisting of the penalty indication, Y flag indicator and 3 boat length to limit and mark boat indicator.

Replace with:

- 7.1 (h) one light stack, consisting of a blue light, a red light, and a green light.
-

Remove

8.1

.....

- (b) Aft warning light stack, 3 layered stack of 360deg flashing LED. To indicate Penalty, Y flag pressed, 3 boat lengths to limit and mark boat indicator.
- (c) A course limits indicator and penalty indicator in a forward beam location.
- (d) Bow 3 boat lengths to limit and mark boat indicator located under the forward camera position.

.....

Replace with:

8.1

.....

- (b) Aft light stack, 3 layered stack of 360deg flashing LED's.
 - (i) The blue light indicates the Yacht is currently taking a penalty.
 - (ii) The red light indicates the Yacht has filed a Y-Flag Protest.
 - (iii) The green light indicates that the Yacht is in the zone of a mark or course boundary.
- (c) A yellow course limits indicator and a blue penalty indicator in a forward beam location.
- (d) A green light located under the forward camera position that indicates that the Yacht is in the zone of a mark or course boundary.

This amendment is issued in accordance with Rule 4 (a) of **AC72 Class Rule** Version 1.1: 22nd February, 2011.
